

## Creating a platform for Brand Name products to engage with loyal retail customers.

## Engaging Consumers with Quality Brands

Introducing an exciting NEW! family card game with unique interactive product branded cards. The cards also include QR Codes and Social Media engagement. Brand companies can get to promote their products on custom game cards by offering consumers their quality products at affordable prices.

Customers have the opportunity to scan the cards of the featured Brands QR code for special offers, discounts and savings.

Consumers can also follow their favourite Brands' Social Media pages to learn more about healthy options & smart food choices.
